MESSAGE FROM CHAIRMAN

2021 is a very special year for St. Paul's College because we are celebrating the 170th anniversary of its founding. The Anniversary is an opportunity for the College to engage all our stakeholders in celebrating our heritage, sharing our vision and supporting the building of our future. Therefore, all celebrations are on the way under the theme "Celebrate Our Heritage, Build Our Future" to connect students and alumni from around the world and to commemorate this remarkable occasion.

I must thank our Public Relations and Communications Committee which worked closely with the College in strategic planning and the execution of a PR campaign that integrated the projection of our brand identity while planning the celebration activities for our 170th Anniversary. The first activity is the Anniversary kick-off ceremony in October 2021 during which the launch of the new Alumni Endowment Fund was announced.

I would also like to express my appreciation to our Alumni Choir. They organized a concert in December 2021 to celebrate the 170th Anniversary. The Concert had successfully raised 1 million dollars for the Foundation towards the School Enhancement Project.

The Foundation also supports the effort of the College to collaborate with Asia Society Hong Kong Centre to organise a series of webinar on preparing our youth for future challenges and opportunities in Technological Innovation, Healthcare, Work and Education, and Climate Change. Four webcast seminars moderated by Mr. Yeung Kwok Mung, Ken and Dr. Fung Shing Kwong from our PR Committee, and our alumni Dr. Wu Chi Yuen, Justin and Mr. Shun Chi Ming, brought together ten distinguished speakers, including renowned academics, industry leaders and SPC alumni, from relevant fields. We will continuously support the College to explore ways to better prepare our youth to face a fast changing and exciting world.

Enhancement Project Highlights

We are thankful to our donors for their unwavering support to the School Enhancement Project. We have raised 50 million dollars as the kick-off fund to Phase two which commenced in April 2021. Upon completion, we will see an additional 1300 sq. m. of floor area at the New Multi-purpose Main Entrance Hall, an indoor swimming pool and a state-of-the-art library. To date 18.4 million has been spent on preparing the foundation work for construction which is scheduled to finish in August this year. The total fund we need to raise is 70 million to complete Phase Two.

Endowment Milestone

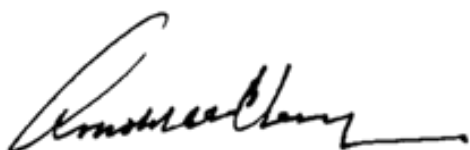

Another milestone program is the establishment of an Alumni Endowment Fund. It was so named because it was initiated by alumni who treasured the time they spent at St. Paul's where they learned the spirit of inclusiveness through a student body of diverse backgrounds. The Endowment Fund will be used to support qualified students with lesser means so that they would not be denied admission due to financial constraints. To kick start the Endowment Fund, an alumnus pledged a matching fund of \$30 million to challenge more alumni to join the effort.

Annual Giving Initiative

The Foundation introduces the concept of 'Annual Giving' and invites donations to support special projects of the school such as subsidies to activities in the areas of sports, music, science or other fields. Every time you give, you would have provided the much needed support to the college. Besides making general donations, another way to support Annual Giving is to buy souvenirs produced by the Foundation. An e-Shop has begun operation in September 2021 to sell souvenirs including those designed especially for 170th Anniversary. I must express our appreciation to our alumnus from Class of 1993, Mr. Justin Chan, for his effort and support towards the e-Shop webpage development.

Our Executive Committee members and members from the eight Committees will work together to ensure the smooth operation of the Foundation and make sure that all funds raised will be allocated through the proper channels and for designated purposes.

Best wishes,

Dr. Cheng Cheuk Sang, Arnold
Chairman of St. Paul's College Foundation

TOTAL FUND RAISED

(Since Inception to May 2022)

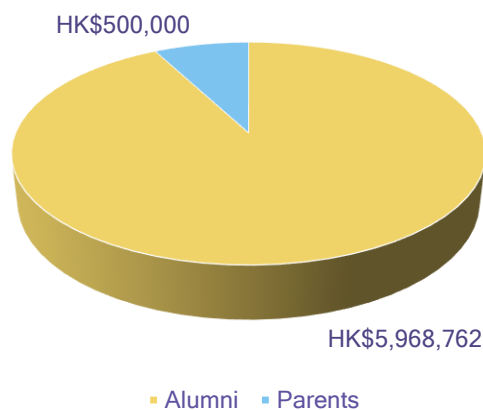

Capital Fund (HK\$ 94,854,870)

In 2019, St. Paul's College began its second enhancement of the campus to meet the needs of the 21st Century education. The objective of Capital Fund is to finance the School Enhancement Project, to augment the learning environment and facilities of the school premise for our students.

Endowment Fund (HK\$ 6,468,762)

In parallel with campus enhancement, St. Paul's College has pledged to assist qualified students who are financially constrained. The College has a proud tradition of welcoming students from a wide spectrum of family backgrounds which creates an environment for students to experience diversity. The Endowment Fund is set up to let St. Paul's College to open its doors to students regardless of their backgrounds.

FUNDS AND PROJECT REPORT

Capital Fund

To commemorate the kick-start of Phase Two of the School Enhancement Project, the Fundraising Committee hosted an appreciation dinner on 11th September 2021 at the China Club to honour our major donors in 2019-2021.

This was the first time for us to meet our donors physically since the outbreak of the COVID-19 in 2019. The event was conducted under the regulation of the Prevention and Control of Disease.

During the dinner, we presented Certificates of Appreciation to our Major Donors whose contribution would be commemorated by the naming of a classroom, function/resource room or other school facilities during the two years. 15 major donors and class representatives joined the dinner with their spouses and it was a successful and meaningful dinner to us.

Two generous donations of HK\$5 million and HK\$2.5 million came from two alumni who would like to remain anonymous.

Class of 1969 also initiated a Class Gift Campaign after their visit to the campus in the sharing session last year and they raised HK\$1 Million towards the naming of Classroom 5E. The Class of 1996 made their pledge at their 25th Anniversary targeting HK\$1 million for the naming of The Shop at the New Entrance.

The Alumni Choir organized “The Magnificent 170’ Concert” on 14th December 2021 at the Hong Kong City Hall. Alumni spanning 70 years gathered for the strongest performance ever, epitomising the theme of the 170th anniversary, “Celebrate Our Heritage. Build Our Future” for the 170th anniversary. The Concert had successfully raised over 1 million dollars for the School Enhancement Project.

Endowment Fund

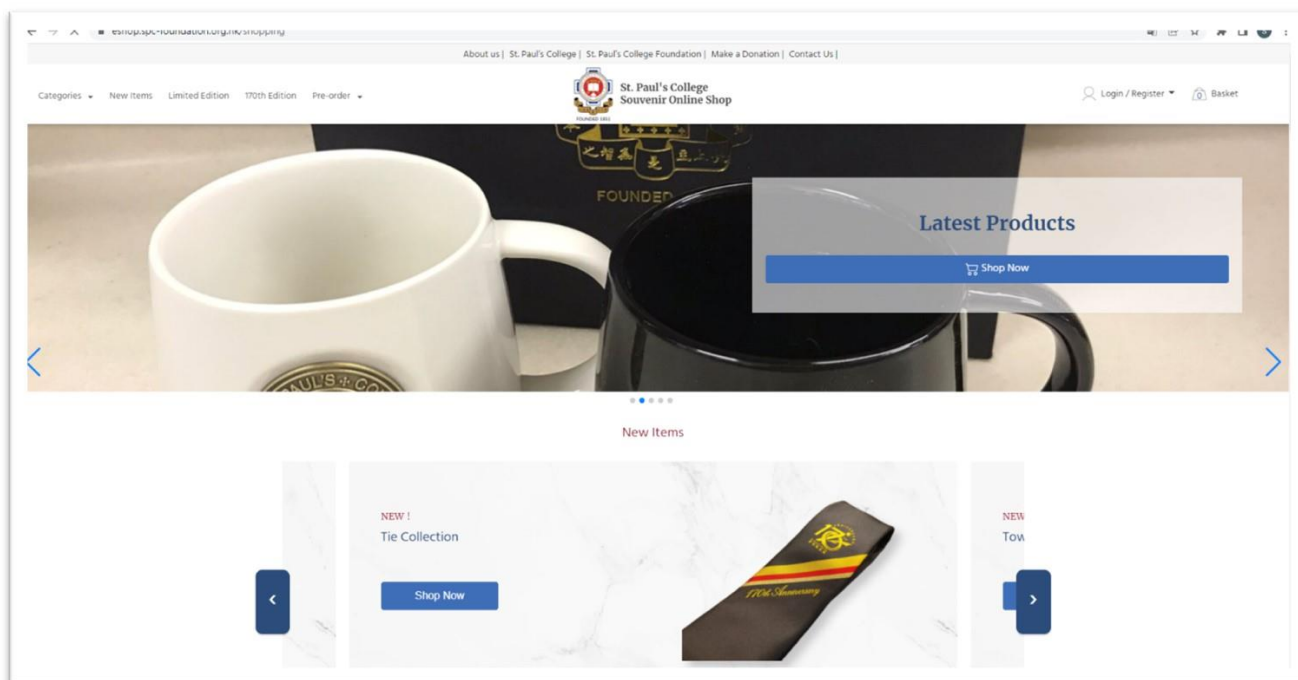

The College announced the establishment of a new Alumni Endowment Fund for Scholarships at the luncheon of the 170th Anniversary kick-off ceremony on 21st October 2021.

An Endowment Fund, initiated by a group of alumni, was launched with the belief that no capable students would be denied admission to St. Paul's College due to their financial considerations. To take the first step to move the Fund forward, an alumnus pledged a seeding fund of HKD 30 million, a one to one matching gift. The establishment of the Endowment Fund is monumental to the school's development. It will provide opportunities to students from all backgrounds, creating a healthy environment for the students to mature in. During lunch, a group of alumni spontaneously donated HKD 850k and together with the matching fund raised the gift to be 1.7 million.

General Fund

The St. Paul's College Foundation was officially inaugurated on October 16th, 2008. We hope to ensure that our boys are given every opportunity to reach their full potential in a first class learning environment. Funds raised will support a number of projects including the relocation of the Primary School, the global classroom, service projects, student scholarships and e-learning. Throughout the years, our alumni have contributed both by making donations or purchases of the much needed resources to the school.

(<http://eshop.spc-foundation.org.hk/>)

E-shop

The Foundation has also been the supplier of souvenirs and school garments which served as a continuous source of income. With the launch of the E-shop in the last quarter of 2021, the customers and supporters of the College can purchase souvenirs and garments online and receive door-to-door delivery. It gives another reason for donors to engage beyond regular donations and fundraising campaigns. With the celebration of the 170th Anniversary, we hope to add unique anniversary souvenirs to our collection and generate additional income to our fund. These souvenirs will be the symbol of the bonding among members of the school community, something money cannot buy.

Public Relations & Communication

To enhance the academic ambience of St. Paul's College, the Public Relations and Communication Committee members proposed the College to organise the 170th Anniversary Seminar Series in collaboration with Asia Society Hong Kong Center (ASHK). With the aim of championing the theme "Build Our Future", the Seminar Series would bring hope and opportunities to the next generation and prepare our youth for the future.

We had invited renowned alumni and distinguished scholars to present their expertise in the areas of technological innovation, healthcare, work and education, as well as climate change.

This was the first time for ASHK to work in collaboration with a local secondary school in organising a series of seminars for the community at large to enlighten students with forward-looking topics to better prepare them for the future. The webinars will offer students valuable learning experience and insight into major trends, pressing issues, challenges and incredible opportunities. The Plenary Session on 7 May at ASHK Centre brought Ten eminent speakers across a broad range of sectors and shed light on future trends in their domains and shared their views on ways in which various stakeholders can get involved to help build a better learning environment and a brighter future for our youth.

The 170th Anniversary Seminar Series was supported by the Foundation and we also sponsored the media partnership to publicise the event to the public and invite students, parents and teachers from other schools to join the seminars.
